

Customization Electric Pallet Telescopic Fork Max. 5000Kg Load Capacity

Our Product Introduction

Basic Information

- Place of Origin: GUANGZHOU
- Brand Name: TIANYUE
- Certification: 3c.ce
- Model Number: TY-FB-HCJ5000
- Minimum Order Quantity: 1
- Packaging Details: wooden box
- Delivery Time: 45 work days
- Payment Terms: T/T
- Supply Ability: 100

Product Specification

- 1: 1
- Highlight: Customization Telescopic Fork,
Customization electric pallet fork,
Telescopic Fork 5000Kg Load

Product Description

Electric Pallet Telescopic Fork

Technical Parameters

Parameter	Details
Loading Area	90x220 mm
Load Capacity	Max. 5000 kg
Length	Max. 2000 mm
Speed	Loaded 45 m/min, Unloaded 90 m/min
Acceleration	Loaded 0.5 m/s ² , Unloaded 3.0 m/s ²
Positioning Accuracy	±3 mm

Technical Features

Material: Made from special high-quality alloy steel, effectively reducing section size and overall weight, with higher load capacity and longer service life.

Design: Optimized section design with less deflection.

Transmission: Uses a combination of helical gears and high-strength chains for transmission, achieving positioning accuracy of ±3 mm.

Lubrication: Optional automatic lubrication device.

Environmental Adaptability: Suitable for cold storage or high-temperature environments.

Customization: Customizable for higher load capacity or smaller sections.

Description

Used for handling and storage of coil materials and similar goods.

Narrower fork section to meet the needs of side access for such goods.
