

Intelligent Unmanned Forklift with 4m Maximum Lifting Height 1.2m/s Operating Speed and Lithium Iron Phosphate Battery

Our Product Introduction

Basic Information

- Brand Name: TIANYUE
- Certification: 3c.ce
- Minimum Order Quantity: 1 Sets
- Price: Negotiable
- Packaging Details: Regular Packaging
- Delivery Time: 30-40 working Days
- Payment Terms: L/C,T/T
- Supply Ability: 100 pieces/month

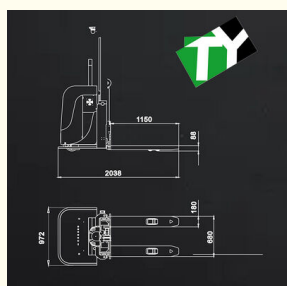

Product Specification

- Forklift Attachments: Customized
- Load: 1-3T
- Battery Capacity: 24V/220Ah
- Power Supply: Lithium Iron Phosphate
- Maximum Lifting Height: 4m
- Motor Way: Servo Motor
- Safety Protection: Laser Scanning
- Operatingspeed: 1.2m/s
- Highlight:
 - 6m Maximum Lifting Height Intelligent Unmanned Forklift
 - 1.2m/s Operating Speed Heavy Duty Forklift Truck
 - Lithium Iron Phosphate Battery Automated Guided Forklift

Product Description

Load 1-3T Heavy Duty Forklift Truck Featuring 8h Endurance Time

Product Overview

The Intelligent Unmanned Forklift is a cutting-edge solution designed to revolutionize material handling in industrial environments. This Heavy Duty Forklift Truck combines advanced technology with robust construction to deliver exceptional performance, safety, and efficiency. Engineered to operate autonomously, it significantly reduces the need for manual labor while enhancing productivity in warehouses, manufacturing plants, and logistics centers.

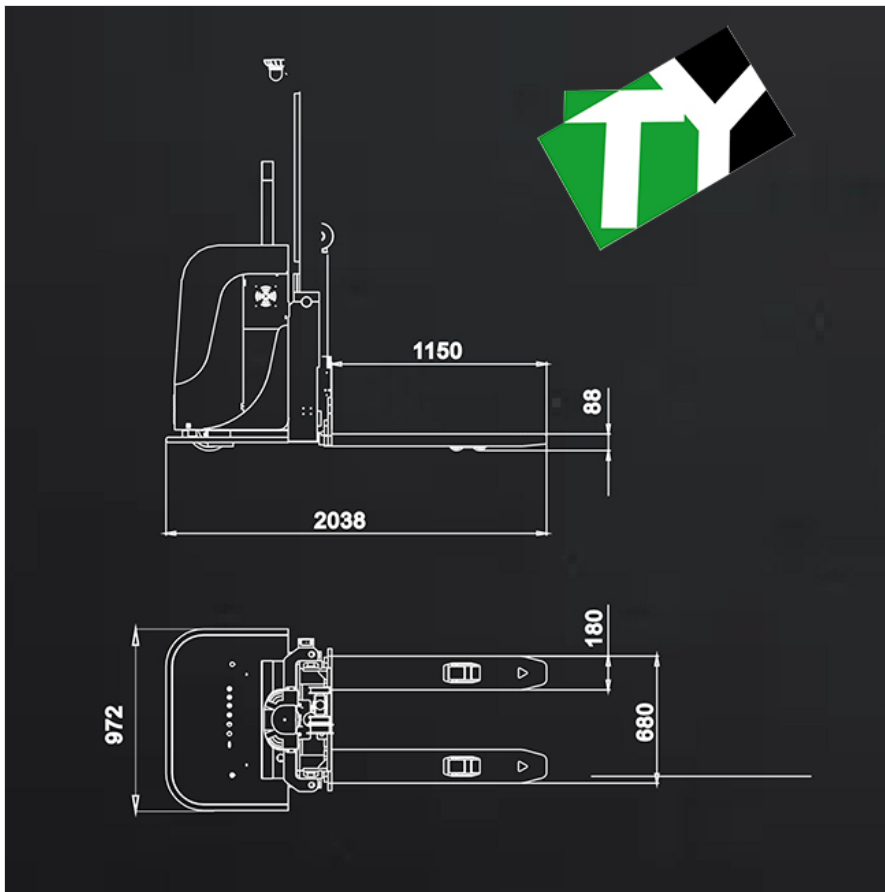

Key Features

- **Product Name:** Intelligent Unmanned Forklift
- **Battery Capacity:** 24V/220Ah for long-lasting performance
- **Safety Protection:** Advanced Laser Scanning technology
- **Forklift Attachments:** Customized to meet specific operational needs
- **Motor Type:** High-efficiency Servo Motor
- **Operating Temperature Range:** 0°-40° for reliable use in various environments

Technical Specifications

Parameter	Value
Maximum Lifting Height	4m
Battery Capacity	24V/220Ah
Power Supply	Lithium Iron Phosphate
Navigation System	LiDAR And Vision-based SLAM
Motor Type	Servo Motor
Endurance Time	8h
Positioning Accuracy	±10mm
Operating Temperature	0°-40°
Operating Speed	1.2m/s

Industrial Applications

The TIANYUE Intelligent Unmanned Forklift is designed to revolutionize material handling across various industrial applications. This Heavy Duty Forklift Truck is ideal for:

- Warehouses and distribution centers
- Manufacturing plants and production lines
- Logistics centers and shipping facilities
- Heavy load transportation (1-3 tons)
- Automated material handling systems
